

5 Prayers on everyday

4 Healing Prayer :

(Transfix your hands on the chest or place your hands where you have the sickness and pray for healing. You will get either healing or gift of joyful suffering).

Prayer: Jesus, you are the wounded healer. Heal me Lord. Healer, heal me, right now by your wounds. Forgive me, O Lord, all my sins and sins of my ancestors through your precious bloodshed on Calvary. Fill me Lord with your Holy Spirit by the power of your resurrection.

Then pray the chaplet of Divine Mercy for the fulfillment of these intentions.
